GETTING HERE

Two ways in. Take the one that matches where you start.

FROM I-40 · NASHVILLE SIDE

- 1 Take Exit 236**
South Hartmann Drive
- 2 Right onto Franklin Road**
about 900 feet north of the interstate
- 3 Left onto Castle Heights Avenue**
1.1 miles along Franklin Road
- 4 Entrance is ½ mile up on your LEFT**
follow the signs and volunteers

FROM LEBANON, US-231 OR I-40 EAST

- 5 Head north on US-231**
from Exit 238, or join it in town
- 6 Left onto Leeville Pike**
1.3 miles up US-231
- 7 Left onto Castle Heights Avenue**
0.8 mile west on Leeville Pike

PARKING IS FREE

Plenty of it. Follow the volunteers to a row.

HEADING HOME

Nearly everyone turns RIGHT out of the airport — south on Castle Heights, right on Franklin Rd, straight back to Exit 236. If you are headed north or east, officers will release a left-turn lane up to Leeville Pike. Either way, not north into town.

TWO THINGS WORTH KNOWING

- **Set your GPS to 806 Castle Heights Ave.**
Not “200 Aviation Way” — that is the far side of the field.
- **The lot empties all at once.**
Stay fifteen minutes after the last round on Saturday (around 3:30) and you will drive straight out. Friday’s practice traffic trickles out on its own.
